

Manuscripts and Rare Books Department
Swem Library
The College of William and Mary in Virginia

Form of material and dates: Papers, 1941-2003 of James H. Critchfield. Documentation and drafts for Critchfield's book, *Partners at the Creation the Men behind Postwar Germany's Defense and Intelligence Establishments*. Includes oral history transcripts and documents relating to Berlin Crises (1958-1961), founding of the Bundesnachrichtendienst (BND), declassified Central Intelligence Agency documents (1945-1949), a German-English intelligence glossary, biographical files and correspondence.

Also includes biographical material concerning Critchfield and lectures for the Christopher Wren Association, College of William and Mary. The collection also includes audio and videocassette tapes.
